

DRIVING DIGITAL TRANSFORMATION WITH AI & INNOVATION

Empowering Businesses To Scale Through Cutting-Edge
Technology And Strategic Vision.

faisalkazmi.com

ABOUT ME

I'm a Certified Laravel & Full Stack Developer with 13+ years of experience, helping startups and enterprises build scalable web apps, SaaS platforms, and AI-driven solutions. A Top Rated Plus freelancer (Top 3%) on Upwork with \$300K+ earned, I specialize in Laravel, React.js, Node.js, cloud infrastructure, and AI/ML integrations. I focus on building secure, high-performance applications that deliver real business value and long-term growth.

MY ACHIEVEMENTS

From top-ranked performance on **Upwork** to building a successful tech company, these achievements reflect consistency, expertise, and a strong commitment to delivering measurable results. They highlight a journey driven by client trust, continuous growth, and the ability to turn ideas into impactful, real-world solutions.

100% JOB SUCCESS

Delivered consistent, high-quality results with a perfect track record of client satisfaction.

TOP 3% FREELANCER

Top 3% ranking earned through skills, consistency, and strong client relationships.

\$300K+ UPWORK EARNINGS

Consistent quality and client results drove \$300K+ Upwork success.

FOUNDED REV9 SOLUTIONS

Turned vision into a thriving tech company delivering real-world solutions.

MY SKILLS

I combine creativity, technical knowledge and strategic thinking to craft modern web solutions. With a focus on performance, usability and clean design, I aim to deliver digital experiences that not only look great but also solve real problems and create value

1

STRATEGIC INNOVATION

I align teams around a shared vision, enabling bold thinking and precise execution to solve real problems and deliver lasting competitive advantage.

3

MOBILE APPS DEVELOPMENT

I build high performance mobile apps with intuitive design and scalable architecture, delivering secure solutions that increase engagement and efficiency.

2

WEB DEVELOPMENT

I design scalable web solutions including SaaS, CRM, ERP, and enterprise platforms that streamline operations and support long-term digital growth.

4

ARTIFICIAL INTELLIGENCE & IOT

I design scalable AI driven systems from predictive analytics to smart monitoring, delivering innovation that improves efficiency and drives impact.

TECHNOLOGY ALLIES

From AI-driven intelligence to IoT ecosystems and autonomous systems, Rev9 Solutions builds technology that shapes the future.
